## The Towne Creek Summer Swim Program

### 2013 Swim Lessons

www.thetownecreekshool.com

Swim lessons are offered to children age three years and older, as long as the child is three years old by August 31, 2013 and the child is enrolled for the summer session at Towne Creek.

Lessons are taught by a RED CROSS Certified Water Safety Instructor. There are always additional lifeguards in the pool, depending on the age and number of children taking lessons.

We are offering four, two-week sessions this summer. A fifth session will be added if there is enough interest. Pool safety and new skills are taught and refined Monday through Thursday of each week. Fridays are reserved for make-up days, due to rain or a class field trip. If there is no need for this make-up day, the children will work with their instructor to enhance, refine and enjoy the skills that they have worked on during the session.

On the first day of each session, your child's swim skills will be evaluated by the instructor. Children at similar skill levels will be grouped together for the rest of the session. Their lesson time for the session will be given to you at the end of the first day.

#### What to bring/wear:

Please have your child wear their swimsuit to school on their lesson days. You may want to bring an extra swimsuit if your child has splash day scheduled that day. Be sure to apply sunscreen before school and bring a towel and water shoes. Goggles, swim caps, nose plugs, and ear plugs are optional.

*\*Should a field trip and swim lesson time conflict, we will try, if possible, to reschedule your child's lesson to an earlier time that day. This will avoid having to make up that lesson. You will receive a notice in your child's folder if his/her swim lesson time has been changed.*
